

Clinical Provider Position

Clinician, Counselor, Therapist, CADAC, LCSW, LMFT, LCPC, PHD, PSYD, MD

20,000-120,000 per year

Action is a multi-disciplinary, experiential private practice hiring skilled clinical professionals for our downtown Geneva and Hoffman Estates office locations. Our practice is based on experiential and expressive therapies, offering a full range of services for all ages - allowing for both indoor and outdoor behavioral healthcare experiences.

This is a flexible position where you set your own hours, which helps to maintain a positive work-life balance. Prime hours are evening so you will be more successful if you are willing to work at least a couple of nights per week. This can be a part-time position or a full-time position and some of the work can be completed remotely.

If you are a fully licensed professional (LCSW, LMFT, LCPC, PHD, PSYD, or MD) seeking a flexible schedule, who wants to work autonomously with the support and collaboration of a comprehensive practice, please apply.
